

The Neuroscience & Magnetic Resonance Research  
Program Of The John A. Burns School Of Medicine

*Is pleased to invite you to the  
Neuroscience Research Seminar*

***Discovery Of Repurposed Drug  
Compounds For Systems  
Treatment Of Complex Diseases***

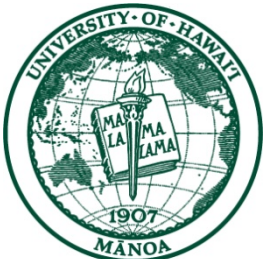

**H.C. Paul Lee, PhD**

University Chair Professor Of Biophysics, Institute Of Systems  
Biology And Bioinformatics And Department Of Physics National  
Central University

University Chair Professor Of Physics, Department Of Physics,  
Chung Yuan Christian University

**Friday, June 28, 2013**  
12:30 pm to 1:30pm  
Kamehameha Auditorium

**THE QUEEN'S  
MEDICAL CENTER**
